

Stimulated

Sun is Shining! Not sure how much credit we should take for that, but it has been out ever since we hosted our Spring Stimulus Party on April 4th.....

Party was way fun. Had a couple hundred people out enjoying good company and good food (my gosh, but did people potluck!).

Let's get some props in right away:

Thanks to O'brien Byrd of O'brien's Wine and Liquor -donated an evening's worth of very tasty wines and was on hand all evening to serve them up himself and offer insight into each varietal.

Thanks to Terry Leonard of Flathead Lake Brewery (www.flatheadlakebrewery.com) for supplying a fabulous keg of Last Train Amber at a fabulously cheap rate, and thanks to Karen Leftwich for donating the cost of the keg!!!

Thanks to Spring at Whistle Stop Cafe, Marcy at Coffee Traders, and Krystal of Los Caporales for donating yummy treats to eat.

Thanks to the CF Rotary, the CF Kiwanis, and to Patrick McCracken at Edward Jones, for sponsoring the event with generous donations.

And thanks to Patrick M for having the whole idea to begin with.

We ate, we drank, we socialized, we even danced a little. Good to see the community come out and have a good time. We'll try to keep 'em coming!!!!
